# DABIN STEPHANIE PARK

UX DESIGNER - ATLANTA, GA

## PROFILE

I am a UX Designer with a background in advertising and art in where I collaborated with clients to tell the brand story. I attribute my success to my creative problem-solving skills, attention to detail, and strong commitment to my work. I am able to leverage the strengths and skills I have gained through my experiences and continue to find my voice in UX Design. So with my passion for learning, storytelling, and fixing problems, I strive to fulfill my passion for UX Design. I am confident that I was created to create.

## CAREER SUMMARY

### UX DESIGNER

QGenda | April 2025 - Present

- Partner closely with product managers and cross-functional teams to design user-centered solutions that improve healthcare experiences and address complex user needs
- Collaborate with healthcare subject matter experts to understand workflows, gather insights, and translate domain knowledge into intuitive product experiences
- Design end-to-end product experiences, including user flows, wireframes, prototypes, and high-fidelity interfaces
- Present design concepts and recommendations to stakeholders, clearly communicating design decisions and advocating for user needs
- Facilitate collaboration across teams to align business objectives, technical requirements, and user experience goals
- Identify opportunities to simplify complex healthcare workflows through thoughtful interaction design and usability improvements

### UX DESIGNER II

LeaseQuery | Jan 2022 - Nov 2024

- Conducted comprehensive user research, including user interviews, surveys, and usability testing, to gather insights into user needs, pain points, and behavior patterns
- Analyzed industry trends to identify best practices and uncover opportunities for differentiation
- Designed interactive wireframes, user flows, and high-fidelity prototypes
- Contributed to the development and maintenance of design systems to ensure consistency and scalability across the product suite
- Acted as a design advocate within cross-functional teams, presenting design concepts and decisions to stakeholders and gathering feedback to ensure designs aligned with both user needs and business goals

### UX DESIGN CONSULTANT

Alpen Life | June 2021 - July 2021
